NATIONAL PUBLIC SPEECH TASKS, 2026

ROUND ONE

In your capacity as the Youth Member of Parliament, you have been invited to advise your Country's President on one policy that would empower young people for sustainable development. Deliver your speech in **3 minutes**

ROUND TWO

You have been given **Ugx 30 million** to solve one issue in your community. Deliver a **3-minute** speech explaining your plan.

ROUND THREE

Impromptu

ROUND FOUR (Elevator Pitch)

Pitch in **1 minute** about an eco-friendly school-based project or invention that promotes sustainability.

Note: Speakers are encouraged to be as creative as possible

ROUND FIVE

Impromptu

QUARTER FINALS

You have travelled from 2050. Deliver a **4-minute** speech warning today's young people on what will happen if they fail to act now, advising them on the possible steps to take to mitigate/stop the impending harm.

SEMI-FINALS

Impromptu

GRAND FINALS

Tell the story of a community/future generation living with the consequences of today's inaction and on the brink of collapse because its people ignored the voices of the young. Through your narrative, deliver a speech calling on society to empower young minds now as the key to sustainable development. **(5 MINUTES)**
